Tuxedo Tennis Club is partnering with **Tennisburrell Academy** to offer it's very popular after school tennis program. Kids get to learn the fundamentals of tennis. Plus, have fun participating in tennis drills such as playing queen/king-of-the-court and jail. This program that teaches kids how to serve, volley, improve forehand and backhand strokes, make friends, and have a great time!

The programs start May 17th & 18th, 2010, and take place twice a week for five weeks at the Tuxedo Tennis Club. The sessions are led by Roland Burrell, a certified tennis instructor, with assistance from his staff. We recommend that students come with a snack, water bottle, sun screen and hat or visor.
