Hello New and Returning Members

You would not know it by the way the weather has been but spring is now upon us.

We are looking forward to the start of another great tennis season at the Tuxedo Tennis Club. It is our mission to provide our members an opportunity to share in the pleasures of the life-long sport of tennis. We continue to be steadfast of offering programs and events that appeal to participants of all ages and abilities

We encourage all of you take advantage of everything TTC has to offer:

- Bring the family out to play – often
- Join one of our group lesson programs
- Participate in our social events
- Register for our tournaments
- Enjoy our special events
- Or just, come by to pass

the time.

Facility up-keep and maintenance costs are funded from TTC membership fees. There are many other general improvements that we would like to make at the club. Better furniture for the clubhouse, replacement deck tables and chairs, a refrigerator are just a few.

Donations of cash and in kind are greatly appreciated.

Selvi Varathappan

Message from the Pro

Roland Burrell

Tuxedo Tennis Club and the Tennisburrell Academy welcome all

to another great outdoor tennis season.

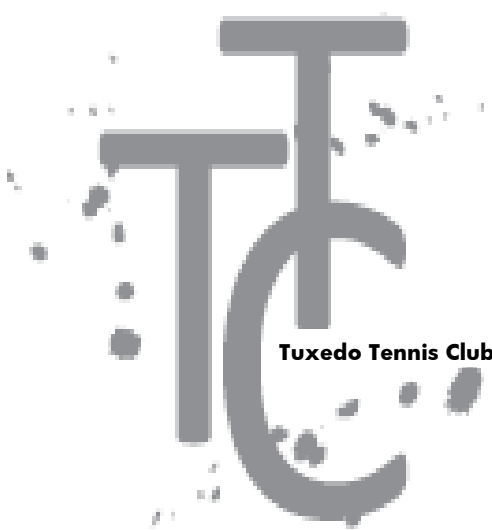

What better way for family and friends to stay active in a sport that offers excitement and social skills not to mention the great health benefits.

This session we are making tennis more enjoyable by helping to build a stronger sense of community among our members.

I am looking forward to seeing you all out participating in our exciting programs such as club championship sanction tournament, morning and evening leagues, free clinics, team tennis, summer camps, after school programs and last but not least lessons to improve your game.

Welcome and I hope you have a great tennis session.
