

Tuxedo Tennis Club

SPRING 2011

WELCOME TO 2011 SEASON

Dear Members

It's April and we move towards the opening of another exciting season of tennis. On behalf of the Board, I would like to extend a warm welcome to all members. I was lucky enough to meet many of you last season and it was a pleasure to get to know you. We wish to welcome new players of all ages and ability to join us this season.

Once again the Board has been working on several initiatives that promise to be fun and exciting for our club members. In the last few years several notable improvements were made to our club. We acquired a new clubhouse, a new shed for storage facilities and resurfaced courts 1-4. We are hoping that the improvements will provide the club the opportunity to retain and expand it's current member base by providing a safe and friendly environment. This season TTC has purchased 3 new nets as well as windscreens for the courts. We are also hoping to refurbish the clubhouse with newer furniture. We were able to raise the funds from the Tuxedo Fundraising Social held last October. The social was a success and over 200 people were present to enjoy great music, food and a great prizes! A huge thanks goes out to the social steering committee. A word of thanks also to all those members who helped out with our various activities over the last season. Many

hands make light work!

We are pleased to announce that we have hired Olga Berdinskyyk as our club manager. Olga is a certified tennis coach who will be overseeing the day to day activities of the club. She will run the drop-ins, club leagues and tournaments. She also plans to introduce various tennis clinics to suit the variety of players at our club.

Roland Burrell who has spent many summers at TTC will be returning again this summer to offer tennis lessons and summer programs for children.

This year we will also be issuing shoe-tags to members. This will help staff to monitor and ensure that all those tennis players who are utilizing our club are in fact members.

The club will regularly e-mail members to remind them of the club activities and events. Our first club function of the new season is the Open House to be held on May 14th 2011.

Looking forward to another great tennis season! See you all on the courts.
