370 Southport Blvd; PO Box 69022 - 2025 Corydon Avenue, Winnipeg, R3P 2G9 Ph: 837-3766

## DID YOU KNOW ....?

...that as a member of Tuxedo Tennis Club you could play tennis five times a week without having to pick up the phone once to make arrangements to meet another tennis player at the club? All you have to do is show up for one of the "no partners needed" programs and you're playing right away.

What are these programs? Monday mornings it's Men's Doubles. Monday evenings it's Mixed-Up Doubles. Tuesday mornings it's Ladies' Doubles. Tuesday evenings there's a free tennis clinic. Wednesday mornings it's Men's and Ladies' ("Open") Doubles. Thursday mornings it's Ladies' Doubles. Thursday evening it's the men's and ladies ("open") singles drop-in; Fridays and Saturday mornings it's Men's Doubles and Sunday mornings it's Ladies Doubles.

Ladies, for example, can just show up at the club Sunday mornings, Monday evenings, Tuesday, Wednesday and Thursday mornings and play with other members taking part in the program.

Tuxedo is very much an inclusive and friendly club. You can sometimes show up at a time when these programs are not running and still find you can get in a game - even if it's with a staff member. Of course, there's nothing to prevent you from coming with your own tennis partner (especially when these programs are not in session) to enjoy the fresh air and friendly atmosphere at Tuxedo Tennis Club.

## WHAT'S NEW FOR 2004 ?

### ***VOLUNTEERS***

At the last Annual General Meeting, several new volunteers have joined the Executive of Tuxedo Tennis Club. These include Margaret Childs (secretary), Joan Romaniuk (Marketing & Membership) and Joan Schumacher (Vice-President and Women's Coordinator). Joan had done a great job of organizing the Ladies Doubles in 2003 and will continue in that capacity this summer.

Since the AGM, Willie Molgat has volunteered to take over responsibilities of Treasurer from Don Cates, who continues to serve on the Executive as a member-at-large.

### ***MEMBERSHIP CARDS***

To allow members to play at Winnipeg Lawn Tennis while the Open Tournaments are being played at Tuxedo Tennis Club, membership cards will be issued to all members this year. These cards will identify TTC members to Winnipeg Lawn Tennis Club, with whom we have a reciprocal arrangement, arranged through Tennis Manitoba. We can expect members of the WLT to be playing at our facility while their club is hosting the Manitoba Open event.

Reminder – the tournament dates are:

Tuxedo Junior Open - May 12-16 (TTC)  
Manitoba Open - July 3-11, 2004 (WLT)  
Tuxedo Open - August 9-15 (TTC)

### ***BALL MACHINE***

A non-functional ball machine, in TTC storage for several years, has been repaired and renovated over the winter. At the start of the tennis season, the ball machine should be ready to use (for a fee).
